

HEIRS OF CAPTAIN GARLAND BUMLEY.

MARCH 5, 1840.

Laid on the table.

Mr. RANDOLPH, from the Committee on Revolutionary Claims, made the following

REPORT:

The Committee on Revolutionary Claims, to whom was referred the petition of the heirs of Garland Bumley, deceased, report:

That the petition claims five years' commutation pay for the services of Captain Garland Bumley in the war of the revolution. It appears, by a certificate of the auditor of Virginia, that on the 7th of August, 1783, Garland Bumley received a certificate for services performed up to June 15, 1781. The only evidence of the continuance of Captain Bumley's services, or of his being a supernumerary or retired officer, from that time till the end of the war, is a certificate from the Bounty Land Office that a land warrant had been issued to the heirs of Captain Bumley on the 22d of October, 1832. This certificate, without further evidence, the committee believe to be insufficient, and therefore report against the prayer of the petition.
